

Nissan Forklift Parts

Nissan Forklift Part - Nissan prides itself on reaching total consumer fulfillment when their customer is enjoying one of their various trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan Forklifts supply some of the best materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the company has four independent production facilities that permit them to persistently adapt to their consumers continually evolving wishes by offering an assortment of modern ideas and designs.

The Nissan Lift truck North and South American center is located in Marengo, Illinois. A loyal team of 350 personnel is committed to the support, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing techniques that minimize the worldwide influence of their products and processes. These high values remind consumers that Nissan operates under the quality seal that their customers require whilst being an environmentally conscious corporation.

Nissan is fairly convinced that any of their customer's inquiries and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
