

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to giving top quality and new design concepts to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They like providing products that energize both their dealers and their partners and provide production gains to their customers.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and needs together with their knowledge of cleaning applications, along with owners' strong desire to significantly reduce expense through productivity gains.

The personnel at TREK and their dealer-partners are really dedicated to having both parts and technical support available when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment running and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cleaning cost. The product, the price and the service all work as one to make them an industry leader.
