

American Lincoln Part

American Lincoln Part - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized within the business as durable and strong equipment which suits all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could supply components, warranty service and equipment for these scrubbers that carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where efficiency and results count. Recently, this particular floor scrubber model has been used by the architects in different construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on location because of the model's excellent quality and utmost performance level for polishing concrete.
